PREFACE

Students of today need to possess valuable skills such as collaboration and teamwork, creativity and imagination, critical thinking and solving problems. These will help to prepare them to meet the challenges and opportunities of today's world. Therefore, the revised text book for Class X has been designed based on the following

- ❖ Each unit has a theme around which the prose selection, poem and supplementary selection has been woven.
- ❖ The four major skills, namely, listening, speaking, reading and writing have been integrated into each unit.
- ❖ Grammar rules with adequate exercises for practice have been framed to gain mastery over the language.
- ❖ Sample exercises with proper guidelines and format, structure etc. have been provided to improve accuracy and fluency in English.
- ❖ Instructions have been given for individual work, pair work, group work and work together as a whole class.
- ❖ ICT corner has been added to kindle the learner's interest to go beyond the textbook. This corner is a digital resource with adequate learning material. The additional information and reference skill will equip the learners to achieve effective learning.
